Mr. Dave Sinise
Communication Networks
3 Commerce Road
Danbury, CT 06810

Dear Mr. Sinise:

Communication Networks recently submitted products for evaluation for inclusion on the NCDOT Qualified Products List. This letter is to advise you that the products listed below have been approved for use on the NC Highway System. The listed products will be added to the NCDOT Qualified Products List during the next monthly update. Also listed below you will find the "Construction Item Number and Description" and the "Manufacturer Product Number Assigned by DOT" for the approved products.

Manufacturer	Part Number	Construction Item Number and Description	Man. Product No. Assigned By DOT	Tracking Number
Communication Networks	C1-US	RMCC-2006 Rack Mount Card Cage	COMRMCC	COM620-1268
Communication Networks	FDX55(S)2	FOM232SMSTRCNSHLSRM-2006 Fiber Optic Modem, RS232, Single Mode, ST D/I Repeater Can Non-Self-Healing, LED's, Shelf/Rack Mount	COMFOM232SMST RCNSHLSRM	COM620-1271

The NCDOT Qualified Products List can be found at the following web address.

<http://www.ncdot.org/doh/preconstruct/traffic/ITSS/sms/qpl/>

The Department shall be notified of any changes made to the approved product. If changes are made without notification, the product will be removed from the NCDOT QPL until the product is resubmitted and evaluated.

If you need any further information in this matter, please call me at (919) 661-4889.

Sincerely,

John C. Walden
Signal Equipment Application Project Engineer
