

Product EOL Announcement

The Product EOL Announcement signifies that a product has entered the final phase of the ComNet Product Life Cycle, and serves as advance notice of product termination as per the ComNet End of Life (EOL) policy.

ComNet announces End of Life initiation for the following product series with the intent of discontinuing its availability.

EOL Product Code	Description	Applicable Regions
RL1000GW Series	Managed Industrial Layer 3 Substation Grade Gateways / Routers (IEC 61850-3 / IEEE 1613)	Global (All Regions)
RLGE2FE16R Series	Managed Industrial Layer 3 Substation Grade Ethernet Switches / Routers (IEC 61850-3 / IEEE 1613)	Global (All Regions)

EOL Reason

Products have been discontinued due to parts availability and are no longer available.

EOL Timeline

The date of EOL announcement (Stage 1) and the last date the EOL product(s) may be ordered (Stage 2) are listed in the table below.

Stage 1 EOL Announcement Date	Stage 2 Last Date to Order
15 August 2019	Orders will continue to be accepted until the current inventory has been exhausted. Please contact your local representative to discuss current available inventory before placing an order.

Alternative Products

In order to fulfil requirements beyond this product's discontinuation, we invite you to evaluate suitable alternative ComNet products which are highlighted in the table below. The below product can replace the cellular connectivity element only. ComNet offers numerous managed switches in various port configurations to satisfy most requirements.

EOL Product Code	Replacement Product Code	Description
RL1000GW Series	CNFE3TX2CXMS Series	Industrial 3G/4G LTE Cellular Modem, 2 Port 10/100Tx (1 x LAN, 1 x WAN), 1 Port Single SIM Category 3 Cellular, DIN/Wall Mount, IEEE 802.3af PD Power Supported
RLGE2FE16R Series	No Direct Replacement Available	N/A

Please do not hesitate to contact us if you have any questions or need further assistance.
