RMB-1 Single-Module Rack Mount Adaptor Kit, shown with CWFE8TX8MS (sold separately).

The ComNet RMB-1 Rack Mount Bracket Adaptor Kit is ideal for mounting one (1) ComNet model CWFE8TX8MS Ethernet Managed Switch unit (having a width dimension of 9.85 in / 250 mm). The ComNet Ethernet switch module is simply affixed to the adaptor bracket with the mounting hardware provided. The complete assembly is then mounted directly within any standard 19-inch equipment rack or cabinet.

FEATURES

› Allows select ComNet ValueLine managed Ethernet switches to be mounted in any standard 19-inch electronics rack or cabinet

APPLICATIONS

› Industrial Security: Managed networks for video, data, audio, and contact closure

› Industrial control/factory automation, SCADA, and HVAC equipment cabinets

› Intelligent Transportation Systems (ITS) controller field cabinets

TYPICAL INSTALLATION EXAMPLES
